

## Truth or dare

64 4 7

### Chapter 1 by Sean Kim

Truth or dare: would you rather get killed by a chainsaw or a guillotine?

### Chapter 2 by Kiri

I would rather be killed by a guillotine, as long as the blade is sharp. I'd prefer a quick death where it will hopefully chop of my head in one clean slice. A chainsaw, on the other hand, I feel like is slower and possibly be more painful because it's a person who has your death in his/her hands. Like, they could use the chainsaw super slowly if they wanted your death to be extremely painful.

Truth or Dare: I dare you to make a story about one of your biggest regrets in life, then post it on Story Wars. Insert the link onto the chapter of this story.

### Chapter 3 by MusicOcean

I already did. I guess what I regret most is letting someone go. Someone I really liked. They abandoned me for someone else about six months ago. My story is kind of embarrassing for me to read and write, so please don't make fun of me.

Chapter 4 by MusicOcean

Since I forgot to create a dare here you go:

## Truth or Dare?

Truth: Reveal the most embarrassing moment of your life (could be a time you felt very embarrassed for someone else) and give us a detailed description about how you felt, and the thoughts going through your mind at the time.

Dare: I dare you to email your crush that you like them (love letter format)

...or if you don't have a crush, I dare you to perform at least one random act of kindness today, and write a story about it. Make sure to include their reaction(s).
